

Monarch HS SAC Minutes

10/4/07

Meeting was called to order at 4:11 p.m. by co-chair, J. Jusevic. After the Pledge of Allegiance, she welcomed everyone, and introduced our student representatives, Alexandra Perez and Christine Gomez.

The minutes from the meeting last week were reviewed with one correction, the Booster Club end date is Dec. 31st, not Oct. 31st.

Principal's report by Ms. Dilgen: In reference to FCAT, right before the test there will be three sessions of reading review. Math will start earlier, having teachers cover all areas. FCAT retakes were this week. On October 15th, we will start monitoring the BAT. In reference to the Capacity Conference, we are fine the way we are. There is no need for the boundary process at Monarch. If enrollment goes over, we will have ideas brought forth.

Chair's Report: Ms. Jusevic explained about the uniform policy may be changed if we don't speak up. Parents will end up voting whether students will wear uniforms.

Committee Report: We have ten parents and one community member. We welcomed Ms. Jeanne Nevin from MSNB Bank. They would like to sponsor Monarch. We do need representatives from different areas such as ESE, ESOL, etc. Our I-Zone representative will be Ms. McCarthy. We will elect co-chairs at the next meeting.

New Business: Bill McIntyre reviewed how we will vote on the schedule for next year. We need two-thirds of the members to cause a change. Ms. Dilgen elaborated on this issue.

Adjournment: The meeting was adjourned at 4:30.
